O R D E R

Red Barn Waste Management, LLC ("Red Barn") has notified the Commission that it wishes to withdraw its application requesting approval to transfer ownership of its wastewater facilities to Chimney Rock Waste Management, LLC. In support of its request, Red Barn states that Commission Staff requires additional information and that such information cannot be tendered prior to the expiration of the statutory time period in which the Commission must act on this application. After compiling the requested information, Red Barn intends to reapply to transfer ownership of its facilities.

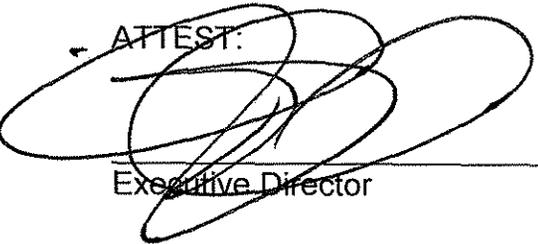

After considering the evidence of record and being otherwise sufficiently advised, the Commission finds that good cause exists to allow Red Barn to withdraw its application.

IT IS THEREFORE ORDERED that Red Barn's request to withdraw is granted and this application is dismissed without prejudice to a future application for transfer.

Done at Frankfort, Kentucky, this 5th day of June, 2006.
